Visitors included:

Ron Crump our new President reported on the first Executive Committee meeting held on the 9th of June updating us on the activities of our busy working committees.

Our table discussion on was: Why are you a member?, What are you looking for? and What have you got out of it?

We had great feedback from all the members with the following mind map forwarded by Will Watt, Goodwill Consulting Engineers

Our member presenter for the month was **Kellie Pamic** our new **Vice President**. She spoke about her new business the CRUA group and shared a little of her vision for Women in Business and helping those who can't always get to our meetings.

Everyone thought that our **Guest Speaker** Richard Hansen who spoke on 'Do you want your presentation to stand out from the crowd?' did an excellent job. Thanks to Terry Ahern for the referral

Thanks to everyone who donated personal items for [Care Packs for Brisbane's Homeless](#) this morning. Big thanks to [Terry White Chemists](#) Beams Rd Carseldine for their generous donations as well.

Our **Free Breakfast** was won by Chris Hansen from Curves Mitchelton

Apologies from:

Terry Ahern, Brian Battersby, Jane Dunk, Ross Pickering, John & Karen Sinnamon

Make sure you get in early and register for our next breakfast on the 28th of July. Remember if you are late it will cost you an extra \$10.
